

Treating the Invisible Wounds of War Online Education Series

These online courses are designed to assist doctors of chiropractic who may see a veteran or family member on an unrelated issue. The courses help develop a better understanding of the culture in which veteran's and their families live and work, and provide best practices for identifying, and assessing health disorders that result from the trauma of war.

Part 1 - Posttraumatic Stress Disorder

3 CEU/hour course for Doctors of Chiropractic.

Cost: \$0.00

Length: 3 Hours

Part 2 - Traumatic Brain Injury

4 CEU/hour course for Doctors of Chiropractic

Cost: \$0.00

Length: 4 Hours

Part 3 – Issues of Women Returning from Combat

2 CEU/hour course for Doctors of Chiropractic

Cost: \$0.00

Length: 2 Hours

The wounds of war are not limited to the battlefield.

Available data suggest that only about 37% of the people qualified for DOD/VA benefits will seek assistance from the VA. This means there is a silent majority not receiving the care they need.
