

### Fall 2024 NMCA Presidents Report

As the fall season arrives and we prepare for the final months of 2024, I want to take a moment to reflect on something deeply important: acknowledging that sometimes, it's okay not to be okay.

In our profession, we are often seen as healers, guides, and leaders in health and wellness. We help our patients manage physical pain, stress, and the challenges that come with life. But, in the process, it's easy to forget that we, too, are human. We experience stress, personal loss, fatigue, uncertainty, and sometimes even burnout. It's important to recognize that we don't always have to be the strong ones, and it's okay to admit when we're struggling.

Over the past few years, the challenges of navigating both personal and professional life have been significant. Many of us have felt the impact of the pandemic, economic uncertainties, and the demands of maintaining a practice. It's easy to feel overwhelmed or burdened by these pressures, and that is okay. We all need to give ourselves permission to feel what we are feeling without judgment.

One tool that has been invaluable to me during these times is the practice of gratitude. Even when circumstances seem tough, pausing to reflect on what we are grateful for can shift our perspective. It doesn't erase the difficulties, but it can create a space for hope and

resilience to grow. Gratitude allows us to recognize that amidst the challenges, there are still moments of beauty and connection—whether it's the smile of a patient, the support of a colleague, or the simple act of making it through another day.

I encourage all of you to take a few moments each day to reflect on what you are grateful for. It can be something big, like the success of your practice, or something small, like the warmth of a cup of coffee on a cool morning. This practice can help ground us, bring clarity, and foster a sense of peace during turbulent times.

One of my favorite conversation starters with my patients is to ask, "What's good about your day?". It is a great way to stimulate appreciation, conversation, and gratitude. I'm learning when experiencing personal trials, it's a great question to ask ourselves as well.

As we move through the rest of this year, let's continue to support each other—not just as professionals, but as people. If you are feeling overwhelmed, reach out to a colleague. If you notice someone else might be struggling, offer them a

kind word or a listening ear. We are a community, and together we are stronger.

Remember, it's okay to not be okay sometimes. But with gratitude and the support of our chiropractic family, we can navigate these challenges together.

In gratitude and service,

JC Moore, DC-APC  
President, New Mexico  
Chiropractic Association

# A note from your Executive Director,

*Diana Statzula*

We are back to my favorite time of year. It feels like a time to breathe. I like this quote by Ruth Ahmed "There is something so special in the early leaves drifting from the trees – as if we are all to be allowed a chance to peel, to refresh, to start again."

If you happened to be in Albuquerque during the International Balloon Fiesta; you experienced the best weather we have possibly ever had during the entire 9 days. It is a spectacular site! If you have never been, I hope you will join us next year!

Do we have any baseball fans out there? It's World Series time and tonight (as of this writing), is the first game! Dodgers vs Yankees. Let's go Dodgers!!!!

Now, down to business. We just completed an excellent Advanced Practice seminar with Dr. Jones and Dr. Peer, early October. We are looking forward to the Level One, Dry Needling Workshop in November. See details below.

As the year comes to an end, please remember that if you renew your NMCA membership in December, you will receive a 10% discount on the annual fee. Those of you paying monthly, your membership rolls in to the new year. A 2025 Membership form is enclosed as well as the NMCA Convention information and registration. If you are not yet an NMCA member, I encourage you to join now. We have a great group of Doctors who are ready to support and encourage you.

Be sure and check out our Upcoming Events below. Doctors, if you have any questions or would like more information about the NMCA, please call me at 505-280-0689.

I look forward to seeing you in the new year.

Love and Blessings,

*Diana*

DR. BRANDON BROCK (topic TBD)

**April 11-13**

NMCA ANNUAL CONVENTION

# NMCA PAC Chairman's Report

Thanks to some of you, we are inching closer to the number of monthly PAC contributions that covers the cost of our Lobbyists. We still need a handful more of you to become PAC contributors.

The good news is that the cost burden on the NMCA General Operating account is getting less.

Please consider donating \$50.00 per month to the NMCA PAC, and thank you to those of you who do contribute.

I promise you that you will not even notice the automatic withdrawal. There is no better cause than investing in your own profession and protecting and advancing your professional future. If not you, Who? If not now, When?

David W. Peer, DC  
NMCA PAC Chair

*"Your Local Choice"*

A stylized illustration of a landscape with a bird in the foreground, a tree, and a sunset background. The bird is a silhouette of a bird, possibly a crow or raven, standing on a small patch of ground. The tree is a simple silhouette of a tree with some foliage. The background is a gradient of orange and yellow, suggesting a sunset or sunrise.

# Vice President's Report

By Michael Pridham, DC-APC

The NMCA leadership and membership has been hard at work during this election season in educating our elected officials. The entire House of Representative in the Roundhouse is up for elections and we could potentially have a very different House than we have today. It is important for each of us to get to know our representatives. By the time of this publication, we should have given a presentation to the Legislative Health and Human Services Committee about our profession. This committee is made up of Representatives and Senators who sit on committees that have jurisdiction over healthcare related bills. This helps bring about awareness to our elected officials of the benefits of our proposed legislation.

Thank you for being interested in getting more involved in the upcoming legislative session! Please reach out to any of the members of the board including your district directors, and don't hesitate to set up a meeting with your newly elected officials. Just have a cup of coffee or tea with them. The amount of influence we can have in the Roundhouse is hard to overstate. New Mexico is one of, if not the only citizen's legislature in the country. We have so much access to the change that we want to represent in the legislative process. A quick little meeting before the end of the year will go a long way to help out during the legislative session.

The NMCA has seen significant gains in the healthcare arena in New Mexico because of your continued support of our Association. Thank you for belonging to the NMCA and for reading articles such as this one. Being informed is the best way to help and I thank each and every one of you for your involvement.

I am still serving as chair of the Integrative Medicine Committee of the New Mexico Overdose Prevention and Pain Management Advisory Council. We have been working on improving non opioid pain management options and the most recent ask that we have is that Medicaid start reimbursement for acupuncture. The more options our patients have the better chances we have to keep them from becoming addicted to opiates.

# ACA Report Fall 2024

By Michael Pridham, DC-APC

The ACA has gathered 10 more representative signatures onto the Chiropractic Medicare Coverage Modernization Act since my last report. This brings the total number of representatives to 177. Our legislation will likely be included in a larger healthcare package to be passed after the elections. This will be our best chance to change the antiquated restrictive legislation that has hindered our profession to treat our patients to our fullest capacity.

Once the Medicare bill passes, we will have so many more opportunities to expand our profession's reach, and the work will just begin to fix the systems that have been hampered by the restrictive language of Medicare. I am confident that we will see growth in our profession.

The ACA House of Delegates (HOD) will be voting on three new Board of Governors (BOG) seats in January. I have applied to be one of those that the nominating committee will recommend to the HOD to vote on. If I were to win, my Alternate Delegate Dr. Dominique Taylor would take over the position of the New Mexico Delegate. One of the initiatives we have spoken about at the HOD is term limits for delegates. We have not passed any policies related to the subject due to the fear of some that if the current delegates were term limited, no one else would step up to the position. However, I have been taught that the first duty I have when elected to a position is to start training my replacement. Dr. Taylor will be an incredible Delegate!

Dr. Ryan Rowse is the NMCA Delegate, and he represents our Association extremely well. If anyone has any feedback that they want to give us you have representation of the ACA in the Northern, Central, and Southern parts of the state with each of us. If you would like to come to Washington DC in January and join our delegation it would be an honor to have you join us. [ACA Engage 2025 - ACA Today](#)

The ACA is extremely hard at work for you and your patients. I would love to see all of you as members so that we have greater strength in numbers. Thank you for considering joining us today!

## **ASSOCIATE POSITION IN LOS ALAMOS**

**Los Alamos Chiropractic Center is located in scenic Los Alamos, NM, and has been established for more than 30 years. We are seeking an energetic associate for our busy practice. Currently, we offer Gonstead, Diversified, and Manual soft tissue chiropractic techniques. We are a multi-disciplinary clinic offering Acupuncture and various Massage/body work therapies.**

**Los Alamos is located about 50 miles northwest of Santa Fe, NM. It is the home of the Los Alamos National Lab, and most of our patients have the BCBS insurance the lab provides to employees. The schools are top rated, and there are plenty of outdoor activities from skiing, to biking and hiking throughout the townsite.**

**Please contact Dr. Charles Lenz or Dr. Nancy Savoia at 505-662-3022 Monday-Friday 9:00am to 5:00 pm.**

## **ASSOCIATE WANTED**

### **Full-time/Part-time Associate Wanted:**

Santa Fe Sport and Spine is an evidence-based, cash practice in the beautiful high dessert of Santa Fe, New Mexico. We are specifically looking for an associate with a background in therapeutic massage and/or manual therapy. The ideal candidate will be an evidence-based practitioner with solid diversified adjusting skills and a more functional or movement-based approach to chiropractic care. Strong consideration given to ART, MPI, SFMA, RockTape, IASTM providers.

Doctor Brendan Casey is the owner/operator of the clinic and is looking for a dynamic associate to hire and mentor. Doc B had a career as a massage therapist for 20+ years before going back to school for his B.S. in Athletic Training from UNM and D.C. from Palmer West. He practices in the traditions of the Motion Palpation Institute (MPI), Active Release Techniques (ART), RockTape, IASTM and Corrective Exercise.

A base salary of \$1000 per/week is offered with performance incentives to increase earning potential.

If you are intrigued by the feel of this opportunity, I would encourage you to send a C.V. to: [info@sfsportandspine.com](mailto:info@sfsportandspine.com). Thank you for your consideration

## **ASSOCIATE WANTED**

Los Alamos Chiropractic is seeking an associate chiropractor for our office. We are a multi-disciplinary clinic. We are contracted with various insurance providers. If you are energetic and would enjoy working along with a team of caring people to provide the best care for your patients, we want to hear from you! We have a spot waiting for the right doctor to fill.

**Please contact 505-66203022, LOS ALAMOS CHIROPRACTIC CENTER,  
557 Oppenheimer Drive #100, Los Alamos, NM**

## **CHIROPRACTOR NEEDED**

### **Position Summary**

The Doctor of Chiropractic (DC) is responsible for giving initial examinations, x-rays, diagnosing, and developing treatment plans based on findings from patient's initial encounter. Every patient receives a chiropractic adjustment in order to help them attain their highest potential for health. It is important for the DC to promote chiropractic as an essential part of the patient's health care. We have a proven and effective system in place that supports the DC in this process. Full time and part time positions available. Pay range from 60,000 - 75,000.

### **About Us**

Our mission at Desert Sun Chiropractic is to impact lives by eliminating pain and keeping people moving through regular chiropractic care. Ultimately, a successful DC will provide excellent chiropractic care for patients and listen to guidelines provided by overseeing CEO/DC Michael Ontiveros. Desert Sun Chiropractic was established by Dr. Ontiveros in 2006 and has been serving patients in the El Paso, Texas region with great chiropractic care and customer service. On a daily basis, our DCs treat patients of all ages and ability levels, from babies to the elite athletes training for the next Olympics, from bus drivers to CEOs.

Our DCs are supported by a team which is trained and has passion for chiropractic. The DC must have a genuine interest in connecting with patients. Our Core Values are the backbone of our business and guide our hiring process: Chiropractic first, Leadership, Passion, Wow Service, Responsibility, and Integrity. Our office operates regionally with plans for expansion. We have room for both a full time and a part time associate.

### **Education and Experience**

A Doctor of Chiropractic degree and a chiropractic license in the State of Texas is required. If a prospective graduate or recent graduate please submit timeline for national boards, graduation, and licensing. We do have preceptorships available certain times of the year. If interested, reach out to see availability.

### **Physical Requirements**

This position requires prolonged time on your feet, seeing patients.

### **Commitment to Diversity**

that a diverse staff, reflective of our community is an integral and welcome part of a successful and ethical business. We hire talent at all levels regardless of race, color, religion, age, national origin, gender, gender identity, sexual orientation, or disability and actively foster inclusion in all forms both within our company and across interactions with patients, clients, and coworkers.

If this position caught your eye, send us your resume! For best consideration, include the job title and source where you found this position in the subject line of your email to [doc@chirodesert.com](mailto:doc@chirodesert.com) Already a candidate? Please connect directly with your recruiter to discuss this opportunity further.

Please respond by email to: [Diversifiedchiro@gmail.com](mailto:Diversifiedchiro@gmail.com) with your cover letter and resume.

## ADDITIONAL CHIROPRACTIC DOCTOR WANTED

Offered is an excellent opportunity for professional growth in a busy and growing chiropractic clinic in South Central New Mexico. We have been recognized locally as the “Best of the Best Chiropractor” for the last seven years running. In addition, we won “Business of the Year” in 2016. We average over 1,100 new patients due to internal and external referrals, our excellent reputation, a busy marketing program, and excellent patient outcomes. A qualified candidate will exemplify integrity and honesty, and must have a positive, hard-working, patient-first attitude. You should have the requisite abilities of a doctor who can perform a proper consultation/evaluation, interpret exam and x-ray findings, assign an appropriate working diagnosis, present a reasonable treatment plan, transfer patients into wellness care, and of course – provide great adjustments. We are fully staffed with well-trained, caring professionals in management, insurance, therapy, at the front desk, and in IT. We are in a large, modern, and clean, facility with plenty of parking. We are up-to-date with EHR and utilize digital radiography, decompression therapy, laser therapy, trigger point injections, etc. We are perfectly suited for recent graduates and for seasoned doctors. Whether you’re looking for a great environment in which to learn from the “Best of the Best” or you’re tired of running your own clinic - exhausted from the grind, no vacation relief, struggling to get new patients - this is your place! For more information, including salary, paid vacation, bonuses, and benefits offered, please send your resume to [docprecure@msn.com](mailto:docprecure@msn.com).
